With over 591 million total downloads and 300 - [How I Reversed The \\$300-million-Cigarette-Tax Victory For Ohioans](#) During the economic-recession of 2008, Ohio enacted an unpopular cigarette-tax increase that would have doubled the cost of cigarettes to consumers and the state's economy. As it turned out, it was a nearly \$300-million-dollar-tax-hike. Cigarettes are still taxed at a low rate in Ohio, second only to neighboring Indiana, making the tax-hike a non-issue for smokers. The government's solution? Repeat the effort. Again. And again. And again. In this country, we are taught in grade-school that taxation is theft. Yet, in this country, we also are told that individual tax preference, if used wisely, can win people and a cause [f678ea9f9e](#)
